Odor ..... Low, Wintergreen Fragrance  
Foaming..... High  
Solubility in water ..... Complete  
Flash point..... > 300°F (148.9°C)  
pH .....< 1.9

**HANDLING AND STORAGE**

- Always follow product safety guidelines during storage and use (reference product SDS for complete details).
- Use only when surface temperatures are between 50°F–90°F (10°C–32°C).
- Product shelf life is 36 months when unopened and stored at room temperature.
- Store product in original container only.
- Close cap on container after each use.

**APPROXIMATE COVERAGE**

Approximately 80-300 sq ft (7.4-27.9 m<sup>2</sup>), depending upon grout joint size and porosity.

**4. INSTALLATION**

**MIXING**

No mixing is required. This product is ready for use as is.

**APPLICATION**

1. NuGrout™ Cleaner and Pretreat is a concentrate and may be diluted with water up to 100%, especially if surface to be cleaned is only slightly soiled. Always test strength on a small, inconspicuous area prior to use.
2. Apply a bead of NuGrout™ Cleaner and Pretreat to the grout joint.
3. Using a stiff nylon brush, scrub grout joint until clean. Add cleaner as needed.
4. Thoroughly rinse grout joints with water, removing all residue.

**CLEANING**

Clean tools and hands with warm, soapy water after use.

**HEALTH AND SAFETY**

Reference product SDS for complete safety information.

**6. AVAILABILITY AND COST**

NuGrout™ Cleaner and Pretreat is available at select retail and commercial distribution locations throughout the United States and Canada, and on-line outlets, including [www.nugrout.com](http://www.nugrout.com). Costs may vary. Contact us for specific information.

**7. WARRANTY**

CENTURA PAINT MANUFACTURING warrants that this product is manufactured using quality raw materials and is of merchantable quality and suitable for the purpose for which it was intended. No other guarantee is expressed or implied. Liability, if any, is limited to replacement of product or purchase price. Labor, cost of labor, or other consequential damages is hereby excluded.

**8. MAINTENANCE**

Product requires no special maintenance.

**9. TECHNICAL SERVICE**

Please contact us at 1-800 NUGROUT (1-800-684-7688), for proper recommendations and job field assistance.

**10. FILING SYSTEM**
